

## STRING BURN CHALLENGE

You have 20 minutes in which to prepare a well-built fire under the string provided, and light it. - Hint! Watch out for wind direction!

The winning team is the first to burn the string through.

### RULES:

You must use only the wood provided.

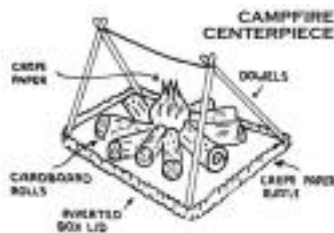

The top of the firewood must be at least 3 inches BELOW the string.

You must light the fire at the BASE of the woodpile and NOT the top.

Good luck!
